86th Annual Meeting of the New England Surgical Society

OBJECTIVE

The Annual Meeting is designed to provide one and one-half days of comprehensive educational experiences in the fields of clinical surgery, experimental surgery and related sciences, surgical education and the socioeconomic aspects of surgical care. It is the Society's intent to bring together at this meeting the leading surgeons and scientists from New England to freely and openly discuss their latest clinical and research findings.

ACCREDITATION

An application for accreditation is pending with The American College of Surgeons. The American College of Surgeons is accredited by the ACCME to provide continuing medical education for physicians. This activity has been planned and implemented in accordance with the Essentials Areas and policies of the Accreditation Council for Continuing Medical Education. Pending approval, The American College of Surgeons will designate this educational activity for a maximum of 10.50 hours in Category 1 credit towards the AMA Physician's Recognition Award. Each physician should claim only those hours of credit that he/she actually spends in the educational activity.

MEETING REGISTRATION

You can now register for the 86th Annual Meeting online, via the NESS website, www.NESurgical.org. This simple and fast tool enables you to receive your confirmation immediately. You may also choose to fax or mail the meeting registration form included on page 5 of this brochure.

Should you need to cancel your meeting registration, please do so in writing prior to September 15, 2005. Requests may be submitted via email to kmuniz@prri.com; faxed to 978-524-0498; or mailed to the Society's headquarters. All refund requests will be processed after the meeting dates. No refunds are available for partial attendance.

MT. WASHINGTON HOTEL & RESORT

RESERVE EARLY! The block of rooms reserved for NESS will be released on August 28th so don't delay. The Mount Washington Hotel is a spectacular, four-season, historic hotel built in the Spanish Renaissance style. More than a century ago, the work of 250 Italian master craftsmen culminated in the opening of the grandest of the "Grand Hotels." Over the years, it has hosted diplomats, poets, royalty — and guests who simply feel like royalty the moment they enter the winding drive to this National Historic Landmark. Throughout its history, the Hotel has been renowned for natural beauty and luxurious extras. Indoor pools, Jacuzzis and fireplaces are just a few of the indoor amenities comforting year round guests. Modern refinements include air conditioning and complimentary high-speed Internet access in all guest rooms. The Hotel's elegant 4-Diamond Main Dining Room serves four-course dinners with orchestra accompaniment nightly. More casual dining is available at any one of the hotel's four restaurants.
